The classroom teacher will supply a list of any additional needs

INFORMATION ABOUT THE HEADPHONES NEEDED FOR THE COMPUTER LAB

All students are required to have headphones for the computer lab. An inexpensive set of computer headphones will work as long as it has a stereo mini connector (not the 1/4 connector). Mono headphones, although usable, will only provide sound in one ear.

Please send a plastic Ziploc storage bag for storing the headphones. Please insert a piece of paper inside the bag with the child's name on it.

Headphones may be used from year-to-year.

The computer lab does not provide headphones.

PHYSICAL EDUCATION

All students are required to have athletic shoes for PE. Crocs, sandals, etc. will not be allowed for safety reasons.
