

2010 West Georgia Technology Fair

Student Consent Form

(This form must be filled out by EVERY participant individually. Please do not list information for more than one student. Team members fill out separate forms. Present ONLY this form at registration.)

Dear Parents:

Your child has entered in the 2010 Georgia Educational Technology Fair (WGaTF) produced in cooperation with the Shenandoah GYSTC. First Place winners in our regional fair are invited to enter the Georgia Educational Tech Fair (GaETF), produced by the Georgia Educational Technology Consortium© (GaETC).

In an effort to promote the West Georgia Technology Fair and publicize its success, WGaTF will be developing promotional photos of students, parents, schools and districts to tell their stories of how they have achieved their goals or provide alternatives and resources. The photographs captured from the fair will be posted on the WGaTF web site and may appear in the area newspapers to showcase the students at the fair.

=====

For valuable consideration, I give permission for my minor child to be photographed, videotaped, and interviewed for stories, articles or documentaries that may be produced to promote our school, the school system, and the WGaTF as it relates to promoting education technology throughout the West Georgia region. I understand that **only** my child's first name will be used in relation to this project and any photographs or videotaping that may occur.

I consent to release the right and permission to copyright, publish or republish, and use in all forms and media and manners for advertising, trade, promotion, exhibition, or any other lawful purpose in connection with professional development for teachers throughout the State of Georgia.

I do not give permission for my child's photo to be used.
